DETAILED ACTION

Terminal Disclaimer

1. The terminal disclaimer filed on February 28, 2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of copending application nos. 10/767,949 and 10/767,767 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. Claims 1-33 are allowed.

3. The following is an examiner's statement of reasons for allowance: No prior art has been found to disclose or suggest "a controller configured to set the e-mail address of a user, input by the panel, into the mail from command of the e-mail to which the image data is attached when the e-mail address of the user is input by the panel, the mail from command being utilized for communication between the image data communication apparatus and the server, whereby, when an error occurs, the e-mail address set into the mail from command of the e-mail is utilized as a destination of a mail error message, the mail error message being returned from the server to the e-mail address set into the mail from command", as recited in base claim 1, and as similarly recited in base claims 6, 11, 16 and 20; or "setting the e-mail address of the user into the mail from command of the e-mail to which the image data is attached when the e-mail address of the user is input, the mail from command being utilized for a communication between the image data communication apparatus and the server, whereby, when an error occurs, the e-mail address set into the mail from command of
